OISEAU

THIS Thoroughbred Stallion, so well and favorably known by the fine horse breeders of Chariton and adjoining Counties, will make a fall season, ending November 1, 1879, at Keytesville.

HE was sired by the Celebrated Imported English Stallion SHARP-CATCHER. His dam is the Famous Thoroughbred Kentucky race mare FLEETFOOT, by MAHOMET, owned by Dr. F. S. READ, of Fayette County,

OISEAU's colts are already attracting more attention, proving more successful on the turf, and commanding higher prices than the colts of any other stallion in all North Missouri. And all owners of mares fit to be bred to such a horse, should avail themselves of the opportunity now afforded for getting fine stock at scrub prices.
